Search By Price
Select a Price Range

Contents for This Topic

Purpose of This Topic

This topic explains how to use the **Search by Price** feature to search for a product on the United States Mint's Online Catalog web site.

Overview of the Search by Price Feature

The Search by Price feature enables you to search for items ranging from below $19 to over $400.

Steps for Searching by Price

Access the Search Products by Price Page

A **Search by Price** button can be found on the United States Mint Online Catalog main navigation bar, which is visible on the left side of most of the Catalog web pages. The following instructions describe how to find the Search by Price button on the **Catalog Home** page.

> **i** The Search by Price button is not available on the **Edit My Account** or **Shopping Cart** pages.

1. Display the United States Mint Online Catalog Home page by clicking the **Catalog Home** link (labeled "A" in Figure 1).

Figure 1. Catalog Home Link

2. Click on the **Search by Price** button. This button is located on the United States Mint Catalog navigation bar, just below the **Services** category. This button is labeled "B" in Figure 2.

Figure 2. Search by Price Button

Select a Price Range

1. On the **Search Products by Price** page, click on the **Price** dropdown list, labeled "C" in Figure 3.

Figure 3. Search Products by Price Page – Price Dropdown List

The Price dropdown list includes the price ranges shown to the right of Figure 4.

Figure 4. Price Dropdown List – Price Range Options
Price Ranges
$0 - $19.99
$20 - $49.99
$50 - $99.99
$100 - $199.99
$200 - $399.99
$400 and up

2. Select a price range from the list.

3. Click the **Go** button [Go]. The top of the **Search by Price Results** page shows the total number of product entries.

> Ten entries are shown per page, but you can choose to show 20 or 30 entries by clicking on the dropdown list to the right of the Results list heading. The dropdown is labeled "D" in Figure 5, below.
>
> You can also page through the lists of entries by clicking on the numbers labeled "E" in Figure 5.
